Thank you, Lord Jesus Christ, let's trust the Lord to open our eyes as read. Please read it with me.

'for God has not given us the spirit of fear, but of power and of love and of sound mind' 2nd tim 1:7

There are certain things that I want us to learn. Number one is that when God wants to bless a man, he gives him the spirit of the blessing, the Bible is talking about the giving of spirit here, he is saying that, 'love' has the spirit dimension, that 'power' has the spirit dimension, that 'sound mind' has its own spirit dimension. In any case, what God is saying is that at any given point in time, there are a distribution of spirits, that Scripture is also saying God does not give fear, so when God wants to make your mind to be sound, the thing he does is not to give you any information. but he introduces you to the spirit dimension and there is a transaction that must happen in the realm of the spirit, and then it will manifest as a sound mind. If fear comes to you, it

does not promote or come as a psychological reality, the spirit of fear is sent.

When that spirit gets a hold of you, it will now take advantage of your faculties of expression and you begin to react to what you may think is psychological called fear. This is a very powerful truth. So, the Bible is saying God had not given the spirit of fear. All spirits are given, and all spirits are received, which is proof that God can give something. So, if the spirit of fear is at work in a man, it means that somehow you received it. Now, whether you are aware or not, that is another thing entirely, the Bible says anything that is given is to be received to find the expression in the life of many that have received it. So the Bible is saying God has not given us this spirit of fear, this is a very powerful revelation.

Whatever you have not gotten the spirit of, you have not gotten the reality of the result that the spirit can bring. So, if the spirit of revelation is not upon you, you cannot have a revelation. No matter how you read or study, the spirit is what empowers you to have revelation from the word of the Lord. If the spirit of the blessings and the wealth of the kingdom does not come upon you, no matter what you do physically, it will not give it expression, you will not see the result of the kingdom dimension of wealth, that means God starts to lift people by introducing them to the spirit component of everything that he wants to bring them into, our physical dimension here has a great much root in the spiritual dimension and God would grant you access to the spirit dimension of any reality that you desire and then sooner or later you will begin to walk in that reality, so death is a spirit, and before a physical death happens, there is a proposition in the realm of the spirit for it and somehow if for any reason you receive that spirit, what you have received will begin to manifest.

Life is also a spirit and it is possible that you can receive it and no matter what the barrier is, the reality of it will come upon you. Favor is also a spirit, it is not just goodwill, that means, that spirit can come upon you and that spirit itself will alter your behavior and all those around you to begin to reflect it. Listen, the characteristics of spirits is that they use bodies and they use minds for expression, when a spirit is around you, upon you or within you, it will begin to alter you to reflect the reality associated with that spirit.

Are you getting what I'm saying now? That means if a gentleman has a spirit that makes him steal for instance, now he may not even know he has received that spirit, everything around him is reflecting that there is an influence higher and greater than him, compelling him to steal if you hide money under this pulpit, he should not know, but the spirit like word of knowledge will cause him to bend and take that money out, he doesn't have to know he's being led but the truth is that he does those things because he has received the spirit of theft, so the first information is that a man only begins to rejoice when the spirit of your result has been received, that every result and every dimension has a spirit component and that when you have it, then it is a reality.

Please read very carefully, Elijah knew this and when he began to pray for rain in 1 Kings 17, there was something he was looking for, he understood that Rain in itself has its spirit component, and the moment he started seeing that manifestation, he knew that something had already been crystallized in the realm of the spirit and he began to run and within a short time there was a big cloud, it is the reality of the word of the Lord, for he has not given us the spirit of fear.

How God addresses Fear

Firstly, I wanted us to learn is how God deals with fear, look how dangerous fear is, that it takes three dimensions of God's spirit to totally conquer fear. Look at how God addresses fear, that because of how dangerous and serious this operation is, God knows that it is not enough to give you power, it won't Conquer Fear, God has to use the tripartite combination of power, of love and of a sound mind to cut short fear, This is what will totally conquer fear in a man's life, so God has not given you the spirit of fear, but to shield you from the effect of fear. He gives you the spirit of power. He gives you the spirit of love. He gives you the spirit of a sound mind. Listen, that means there is a relationship between weakness and fear. If he gives you power, it is because weakness is associated with fear. Are you getting what I'm saying Now? there is a relationship between weakness and fear, that every time you are not aware of strength, the reaction is that you can allow fear to find expression in your life and in all you do.

Number two, that there is a revelation of the love of God and love towards men that if you do not sustain or understand by your spirit man, fear will be inevitable.

Number three, there is a relationship between a depraved understanding (lack of sound mind) and fear. Look at how God solves the issue of fear, he did it with love, power and a sound mind.

Fear looks like a very simple issue, but did you know that every other spirit waits for fear to work? it means they don't approach you until fear has already entered you and get hold of you, If you reject fear, you can reject every other spirit, the Bible says:

and to deliver them who through the fear of death have all your lifetime been subject to bondage. Heb 2:15

Meaning that every spirit is at the mercy of fear, It is fear that has the courage to open the door, that every oppression of darkness that comes to you stands waiting for fear to give them access, and that until fear begins to manipulate your understanding, other spirits won't torment you, and that if you lack power, you lack love, you lack a sound or an enlightened mind, and you will give fear access.

Many people fail in life, not necessarily because of ignorance, but majorly because of Fear! the fear to take steps, the fear to arise, the fear to minister, the fear to do so many things. That's why when angels appear, the first thing they tell people is Fear Not! because they know that Fear is majorly the weakness of men. or why else will they ask men not to be afraid on first encounter if not that over their lifespan, the majority of men they meet are always afraid,

Though I walk through the Valley of the shadow of death? I will fear not. Ps 23:4

That means, that every time you are surrounded by uncertainty, surrounded by the Valley of the shadow of death(not the spirit of death) but the shadow, the similitude of death, meaning that whatever looks like death can cause fear. No matter how real or aberrated it is, the Valley of the shadow of death, it causes fear, but the psalmist says, I will fear no evil. There is a reason for David saying thou art with me, it means i have an understanding of what your presence and your love can do, Courage is not the issue of masculinity, it is a product of understanding certain things about God, that the spirit of power is given to men so that they can conquer here. If you are suddenly told right now that you have the power to cure cancer, even stage four cancer, maybe with a drug, do you know you will no longer be afraid of that ailment? the information that you hear does something to you

and if you do not have the power to resist it, it will cause fear and when fear enters you, it will destroy everything about your life. So the spirit of Fear manipulates your understanding, manipulates your faculty of expression, how many of you have seen children, because of their understanding, they do not easily have the fortitude for fear, they are not aware that anything can hurt them and so they will come with confidence. That means that the moment you are aware of the potential of a thing to destroy you and you are aware that you do not have power over it. It will create an unnecessary sense of caution. Why do we fear poverty? Because we think we do not have power over it. Why do we fear death? Have you seen traditionalists that cut themselves and nothing happens? a system tries to aberrate power and immune them so they can dare the impossible because they are aware that there is some form of power that has given them immunity.

Now when armed robbers go to rob and rob all kinds of things around them, the robbers believe in their awareness that there is some power that they have, that will make them look at you and even stand in front of a gun and then you shoot and nothing happens and they laugh. Why? Because some aberrated power has immune them, that means that your awareness of lack of power will keep you in fear forever. Please listen to what I'm teaching you, the fear of failure causes failure, the fear of limitation causes limitation. the fear of weakness causes weakness. the fear of death causes death, the fear of poverty causes poverty. Wasteful spending is bad, but fearful spending is evil. are you seeing that now? Notice the degree to which fear controls our life, the moment you are driving, suddenly fear comes saying You can die and all of a sudden you are confused, a voice speaks to you and say you can die, you have a dream and in that dream you

see yourself in a coffin, you'll stand up and all of a sudden in your own room you are no longer comfortable, you now need somebody else's presence to console you.

No voice was heard, something was done to your mind, but the awareness of power is the only thing that can help you

But the people that do know their God, shall be strong and do exploit. Dan 11:32

The awareness that the believer can sustain power over and against the works of darkness can annihilate and destroy Fear, please listen to me, fear has destroyed more people than you can imagine. There are many people who may never arise, there are many families who may never arise, there are many, many stars who may never arise because of fear. The fear of death is the greatest of them, I would die! I may die! In Job 3:25, Job said that the thing that I feared most has come upon me because fear works like faith. So the Bible says God has not given us the spirit of fear, but of power and of love. There is something about the understanding of the love of God. You see, the Bible says, I have loved you with an everlasting love and I have drawn you with my loving kindness. Let me talk to you. Why do people not give? What is the reason? Talk to me. If I tell you, empty your account now for God, what do you think is going to happen to you? You'll say, well, it's not possible for me to do that. What's the issue? Why? Why should I empty it? I've planned it for something. It's called fear, Fear! When they say travel from one place to the other, then you start to think, Dear Lord... Night bus.... this Abuja-Kaduna expressway, I've had stories around it... that is Fear! Listen very, very carefully, fear has destroyed a lot of people, you cannot rise because you are afraid and the Bible says there is something about the knowledge of the love of God. You see, sometimes we need to

really know who God is. There are many believers who cannot even rise spiritually because of an aberrated understanding of who God is, so there is something about the love of God, It says, the grace of our Lord Jesus Christ, the love of God, If God who did not spare his Son but offered him freely, how much more? Listen. He says, if you being evil, know how to give good gifts. So a revelation of the love of God can settle your confidence, you will see yourself saying, that I know God will back me, that I know for a fact that God loves me and his interest has been invested upon my life and then the spirit of a sound mind upon me, when the Lord opened my eyes to this, I said, Wow, his sound mind is not just psychological, a sound mind is a spirit. No wonder that the madman in Gadara, he was not just mad because he was confused, He's talking anyhow was a reflection of the spirit of depraved mind that was at work in his life and the Bible says when Jesus cast that spirit, they came later and found him sitting with Jesus in his right mind, in his right and sound mind. The word sound here means balance. It means enlightened and an enlightened mind is a spiritual mind. That you have too much information that you cannot just be shifted anyhow, left and right.

You are an adult, If I tell you that the chair you are sitting on will break, you will not be afraid because there is a sound mind, you have an understanding enough to know it was built to take your weight, that is a sound mind, and that means when we do not have an enlightened perception and an understanding, it can create fear.... all kinds of Fear! Just take some time to think and reflect on how many things fear has done in your life, It is a dangerous spirit, It causes bondage, all kinds and all sorts of bondage. There are people today who will never buy a car because of Fear, there are people today who will never travel because of fear. There are some of

you who will never go to the village(Home town) because you had a bad report or some prophecy about the home town from somewhere or somebody and you say, me, go to the village? God forbid. that is fear... but God has not given us the spirit of fear but he has given us the spirit of power. Do you know what the spirit of power is? The spirit of power is not just the anointing. No, No.

They are two different things. The spirit of power, it's not the anointing. When Moses was telling Joshua, he said, Joshua, be strong and of good courage, that is the spirit of power, then the spirit of power is not just an anointing to heal the sick. No, no, no, no, no, no, no, no, no, it is a grace, it is a spirit that plants faith, that grants you access to confront things, confront challenges. Be strong and be of courage, did the Bible not say be strong in the Lord and in the power of his might? Every time the Bible is talking about the arsenals of darkness, he says, be strong, You need the power, the strength, the capacity to bear the unbearable if you will ever arise to be great.

The spirit of power and the grace was upon Esther and she says, I'm going to go and see the King If I perish, I perish, that's the spirit of power, let me tell you this, there are times in your life when you will not see any boat, you are going to have to trust God and jump on that water and begin to walk by the spirit, the revelation that the power of the Holy Spirit is able not only to keep but to protect, and to lift is a great revelation. I say this all the time...Lord, you have spoken, I believe you, I don't know how it will happen, but in the name of Jesus, what do you want me to do? Lord, if you say i should empty my account, I'm going, if I perish, let me perish. Be strong and of good courage, because life atimes will attempt to intimidate you and it will cause fear, Fear in Ministry, fear in life, fear in any-

thing, but you need the spirit of power, by default, life does not give you guarantee for any results, when you see people who have results, let me tell you the secret, especially in the kingdom, much more than just their belief and their conviction about God, the revelation of the power of the Holy Spirit is the grace that was working there, this spirit of power is not just the anointing to heal the sick, it is the divine courage, the fortitude, the capacity to stand and say bring any weight, this is what was upon David when he stood before Goliath, It was not just the anointing to heal the sick, No! he stood before Goliath and said, who is this uncircumcised Philistine? because we saw how Goliath oppressed them daily, he used fear, he came and continue to use his size to oppress them, and then a young boy comes with a spirit of power and looks at him and says, who is this uncircumcised Philistine? then Goliath answered, am I a dog? Look at Goliath talking now, am I a dog? that you come to me with Sling and stones and David said, well, you may have come to me with your bow and all of your weapon, but I come to you in the name of the Lord God of Israel, the one you have defied, then David now says, Mr. Man, let me even tell you how I'm going to kill you, it is not only that you are going to die, this is what will happen, I will throw you on the ground, then I will use your own sword to remove your head and give it to the birds. There are many of you who have experienced this in the place of prayer and you did not know it was it, that you begin to pray over something that you are confused about like you don't know where the rent is going to come from and the Fear is eating you up, and suddenly while you are praying, this grace begins to come on you, you stand up and begin to speak boldly, the Lord is my light and my salvation whom or what shall i fear, and you'll begin to make bold proclamations and stand at the gate of the enemy and

decree and declare that regardless of what it is, the word of God will come to pass. Let me tell you this since fear is spirit, that means fear can know people and it can know those he should not try again, so as you proclaim those words of affirmation, fear leaves quietly, and you need to understand that any spirit can talk and can know. Look at the Bible, the spirits in the mad man in Gadara spoke to Jesus, have you come to destroy us before our time, these spirits are knowledgeable, they are not ignorant, they are not robots, that means when Fear comes to you, it observes your response, when it sees the deficiency of power of the revelation of the love of God and of an enlightened mind, it is permitted to come in and destroy you.

I've shared with you how that many times I can be at the airport or I'm on my way taking a trip and some person, sometimes I don't know them and Sometimes I know them, they can send me a text and say, apostle, please, I just saw an accident in a dream, a ghastly motor accident and I saw you die, please don't think I'm speaking badly against you, I just saw you dying, please cancel that journey, Now the person may be sincere and genuinely concern about me but the spirit of fear takes that opportunity and wants to manipulate, that's how it works, now, when you hear that a loved one dies, it does something to you, fear will try to capitalize on it and you start thinking, who is next? because that loved one who died was a Christian, that loved one who died was this and that and that. Fear is dangerous spirit. These days, people will go to the hospital and they tell them, sorry, you thought you were AA, we just discovered that you are SS, and from that day, fear comes through the hospital too, as they're announcing the result, fear takes the results and works on your mind, while you are sleeping It will say begin to count, Let's assume you have 40 more days to live and then

he begins to help you count down, You will think nothing will happen until you see what begins to happen to you, all your goals and dreams would just pack up, what just happened to you is that fear has taken hold and if you do not quickly snap out of it, it might lead to a bad place. Even strong believers, fear has taken advantage of an incorrect communication of the message of rapture to destroy believers and make them irresponsible, what i just said looks like a spiritual statement, but there is an awareness that every time you want to take a giant step, fear comes and says, what is this? cant you remember Jesus is on his way coming, though it's supposed to look like a good thing, but because you have been threatened about the coming of Jesus to the extent that the whole message of rapture represents judgment, ad it will continue tormenting you saying what will happen to you? And you will not be productive until you find out you are 70 years old and nothing happened.

The spirit of fear has destroyed a lot of people, the spirit of fear has stopped people from receiving, the spirit of fear has stopped people from rising, the spirit of fear has stopped people from birthing a lot of things, but as you read this book today, in the name of Jesus your fear is gone. One of the effects of fear is that it makes you forget the goodness and the benefits of God when fear comes upon you, it can erode the awareness of everything God has done in your life, That means that even gratitude, you will not be able to say it because of Fear.

I am sure you've heard my story, I used to be oppressed, by demonic spirits, real demonic spirits, I will lie down on the bed and with my own eyes, the spirits just enter my room, they don't open the door, I shout Jesus, I shout everything i know to shout just like you have been be shouting and I tell you, it doesn't do anything to them, you see, you are laughing because that's what you are

secretly afraid of, because shouting the name of Jesus is supposed to be like the highest factor that drives away demonic spirits, and when you shout Jesus and they don't at least react. what will you do? I shouted. Jesus, Jesus, Jesus, and these spirits, they would come to press my neck and I'm just watching, I can struggle for hours, do you know it got so bad that every time it was evening, it would affect me because i will be afraid that another night has come again, i used to sleep at the edge of the bed, no matter the shape and structure of the room or bed, I would sleep at the edge, do you know why? So that when they begin to oppress me, I would do my best and fight my way, at least i am closer to the edge where i can run off the bed quickly, Then the great day came, the day the revelation of the power and the grace of God came upon me, I ran home, i didn't even pray, I stood outside and I begged, begged them to come. I officially invited the demons and of course, they declined the invitation because they know that i have caught the light and revelation of his power and grace, so they cannot oppress me anymore. When you lose the ability to be afraid of evil, and you proclaim I will fear no evil then there is no limits to what your life can be When God grants you the grace to reject fear.

The reason why many do not give to the Lord is because of fear, fear that there is insufficiency and such people may never arise, the reason why many people keep running abroad and can smuggle their way through Chad to Libya, move through the forest and the desert and almost die because they are getting to Europe is because they believe that one day their country might pack up and everybody will kill everybody and their source of income will finish, or something bad will happen, it is called fear! some years ago the moment they announced recession in Nigeria, people who were not working started suffer-

ing from worrying. people who didn't have jobs who are not supposed to be afraid since they are already in that state even before recession, but they received something, Fear just sat up on Nigeria, and people started going down and started giving reasons to say negative things into their lives. When men shall say that there is a casting down, you know you are also a man, but something has lifted you beyond the realm of men. When men shall say there is a casting down, then you will say there is a lifting up. Is it not in your Bible in Ps 91:7 that 1,000 shall fall by your side and 10,000 by your right side, please read very carefully, It says but none shall hurt you, only with your eyes shall you behold the reward of the wicked. If you allow Fear to get to you, it will destroy you. Ladies, please pay attention, they have told you that the moment you get to 28 29 30, certain things start happening to your system, You can believe it or not, they can tell you when you are 50 years old or above, you cannot be able to give birth again and your life will be destroyed, it is all a lie. The moment people celebrate 50 years, they start deteriorating because they call it a midlife crisis, they expect something to go wrong when they are 60 years and nothing bad has happened in their life. It sounds strange. Fear! fear! the spirit of fear. There are many of you today who cannot rise to do certain things because fear has told you that you are an ordinary person, telling you that you are a weak person, you will be saying let me not embarrass myself, let me not disgrace myself, but God has not given you the spirit of fear, but the spirit of power, the spirit of love. I pray for you that the love of God will truly be a revelation in your heart, God said I have loved you unashamedly with an everlasting love and I have drawn you with my loving kindness, Apostle Paul was teaching. he said in Rom 8:35 that what shall separate us from the love of God? You have

to know why Paul is teaching these things, then he begins to list all the things that he thinks can separate you from the love of God and then he said in all these things, we are more than conquerors by the revelation of the love of God. So when the devil tries to project fear, the revelation of who God is and the fact that he loves me, that the jealousy of God is an investment upon my life puts the fear away. When you know this, you can't be held down again, it's like a little child that someone wants to hurt and he or she will run to his father, just like some of our little ones, they run all around and with confidence, They jump on you and they expect you to hold them, the Bible said, trust in the Lord, listen with all your heart and lean not on your own understanding, the word trust is a great word, it is a vivid expression of someone jumping, hoping that the father would catch him and take away all the limitations, please just try it, just throw yourself at God and say, Lord, I know that you are able to hold me, and while people are saying, Oh dear! what have you done? a hand will come to protect you and that hand is called the love of God, the grace of our Lord Jesus Christ, the love of God. The love of God will not allow darkness to eat you up, the love of God will not allow you to be ashamed and to be a reproach to yourself and your family, you need to be aware of this, you are God's investment, his love is upon you when you come to the realization of this truth, It will give you an understanding that you are not alone. Please let this sink deep into your spirit man because in life, you will stand and you will confront battles where there is no human assistance, but the awareness of the love of God. I know that God loves me, it's a revelation that I have, I have understood it in a way that I am grateful for the love of God if there is one person that God favors on this earth, it is me, I know it because of his love, I don't know how far between you and him,

but I know that he has drawn me into the inner chambers of his love, like the king tells Esther, come. what do you want? Even up to half of my kingdom, the king was ready to give Esther, this is my mentality when I pray, this is my mentality When I talk, there is no fear whatsoever, that's why sometimes I can give a word of knowledge and prophecy that there is a man outside there, Do you think it's just because I'm seeing a vision, it is a risk. you don't stand before the whole world and speaks like that if you do not have the revelation of the love of God that clears away all fear.

And we know that all things work together for good to them that love God, to them who are the called according to his purpose. Rom 8:28

Not for everybody, not for every Christian, but to them that love the Lord and to those who are 'the called' according to his purpose. The revelation of the love of God is something that has consumed me, what will you do if you suddenly knew that the jealousy of Jesus is standing by you to protect you? You think the love of God is a little issue until you see what has happened in your life as a result of a lack of knowing it. Was it not the awareness of the love of the father, of the prodigal son that gave him the courage to get up and return home

he was with pigs and for a while, every time he thought of going back home, fear will keep him there, You see what fear does and then one time he said, how many hired servants does my father has and I'm here feeding with swine, then he came to the understanding that I know something about my father, there is something I know about him, no matter what evil i have done, we know how to settle ourselves, i will arise and i will go to my father, and the father too was thinking no matter what he has done, he

is still my son. So when you see things in your life, that seems not to go the route you want YET, that is not the time to panic, that is the time to remember all the things God has told you that he will do and you will enter rest saying:

'What is man, that thou art mindful of him? and the son of man, that thou visitest him? Ps 8:4

For you to really understand this thing, you need to see a man that is in love with a lady... the way he will be mindful of the lady, that people can be talking to him but he is lost in the world of the love of the lady, That's exactly what happens to God, what I need you to understand is that I am in his mind, He's thinking right now, what do I do for Joshua Selman, how do I lift him? Oh, I see all the attacks around his life, but my love for him will cause me to defend him. His love for me is the confidence I use when I minister to people because I know his jealousy is an investment upon my life that he will protect with his blood. Do you know this about God? So when somebody looks at you and says, I will kill you, the person doesn't know what he's saying, the person needs to know who he needs to kill first(which is God) Nobody comes with any nonsense prophecy and scares me. No No! the love of God has created a vaccination against those kinds of rubbish, some people will come to me and say oh Apostle, we saw you in a dream that you died and all, No, No, No.

Many of us are victims of all kinds of negative speaking from people and they may not necessarily be lying about what they are saying. it may be the facts, e.g. Do you know your family has witchcraft? Do you know your family has this and that? but when you understand the love of God, all those things won't matter. I live a very happy life knowing that I can rest in his love, Elijah knew this, when there was a famine in the bible, he didn't say, God, what about me? How

am I going to eat? he just said God, if you kill me, who will now prophesy over Israel and God says for you, I exempt you, go to Brook Cherith, I don't know whether you understand sowing or reaping, but I'm going to make it worse because men will not agree to come and meet you, so I will use an animal to supply you food and drinks. This is the revelation over my life. I believe in the love of God over this ministry when God loves you, it doesn't look fair, when God's love zooms towards you, it is a fearful thing, it takes away fear from your life, the fear of the future, What will the future be like? Will I have children? Will they be well-behaved? Your brain cannot carry that kind of load. God says my yoke is easy, fear can make you a laborer, it can give you assignments that didn't come from God, a lady of 18 years, she's already touching her stomach all-around hoping she will be pregnant when she gets married, you can imagine that kind of thing, you by yourself, you are sitting in front of the internet where there are many things to browse about (e.g the presence of God) but you just start browsing about the signs of cancer. what did you think made you start searching for such things? Fear! The way we live our lives many times, it's a mockery of the love of God each. it shows that there is something about the love of God we do not know. Your Debit card gets missing and for that whole day you are moody, it is not the debit card that is making you moody, it is that your trust was in the Debit card and now that your debit card has disappeared. Fear Now comes, whispering to you, what if somebody gets it and withdraws money?

You wake up in the night and You realized that you forgot to close your door, now please do not get me wrong, it's good to close your door. but the way you will be panicking, saying who has entered and all... it is fear. It is a terrible way to live... The moment people are about to retire,

they start panicking, and these are people who were once confident about life, they will now start thinking, how do I cope? You cannot live life to the fullest till it comes by the revelation of who God is. I can never fail, truly speaking, it is his love that keeps me conscious, I know what he has put upon me and I know what it can do, so when I tell you that, if I pray for you, you will be blessed. It's not arrogance. It is an awareness.

It is amazing how life will answer to you when you have this knowledge, don't trivialize what you hear me share in this book, please don't trivialize it. You will be surprised at the level of failure that is in people's lives just because they do not understand these things that I am teaching. The awareness God's interest in my life is very important, his reputation upon me is at stake and he will move all and sundry to see his purposes breathed, that way you enter your rest. When God is working and you are also working at the same time, something is wrong, when he is working, you should be resting, you should enter rest. The love of God, When I think about the love of God, where is the Fear? there is no fear, not fear of the future, this is a powerful word. There is nothing that God has told me that I don't believe him because I know his love. I know what God can do. I have seen in earthly terms what a guy can do when he loves a lady, and these are just human beings, how much more the creator of heaven and earth. You can't be fearful when you are aware of the love of God, if I hear that favor is coming this way, I don't say, Lord, I hope it will reach me, my prayer is for you, that Lord when you finish putting the favor on me, let it at least touch them because I am so aware of his love. This is a revelation.

My brothers and my sisters When we were young, we used to sing about how God loves us unconditionally, then we became adults and forgot the song and fear took over our lives. Jesus

loves me. Jesus loves my future. Jesus loves my destiny; Jesus loves my results. Jesus loves my longevity. It is in his best interest that I do well, he said, I will give you a new heart, a new spirit, all of those things for his namesake, there is a word for it, it is called 'REPUTATION'

I heard today that one of our ladies who is or was in the school of ministry just collapsed, she has a mental problem, maybe like a bipolar problem and all of that, the moment they spoke to me, I don't know her, but the fact that she's part of the church family, immediately, the love and jealousy kicked in and when I got home, I sent a text one of the ladies, asking about her welfare and how to pay her medical bills no matter how big it is, and I am a human being, flesh, and blood, now imagine God in such situation, that's how much he loves you, when some are trusting in horses and chariots, you just stand there stranded and here comes that bridegroom, the faithful bridegroom, who is going to shower his love on the bride(You) Have you not read that jealousy is the rage of the man, you want to see an angry man, touch his bride, when you are aware that you are the bride of Christ and fear comes, it will not affect you, have you not read about the story of Esther? was it not what Haman was trying to do to Esther and the Jews? to annihilate the Jews, he was even digging the gallows already, but Esther knew something about the King and when she provoked the king's love, even apology from Haman to the king brought Haman to trouble. Have you not been told that you are the Apple of God's eyes? Let someone come and try to touch my eyes and see how i will react, Please read these things very well, i want you to destroy this fear thing once and all in your life, fear of failure, Where will help from? who will arise? For me, it's an insult on the integrity of God, Whenever you turn to God and say, God, so who will help me? And God says, don't worry and you still say,

tell me who will help me? what you are saying indirectly is that I don't trust you God, and God will say you trust that your landlord, you trust that your lecturer with five years of your life, a guy came to you from somewhere and just two weeks of knowing him, You trust him with your heart, and God says, trust me with your destiny, and fear says God has a track record of failing men.... Be careful. Tread with God with caution.

Also, some people will say, God, I'm going to be with you, but let me have a backup plan first, in case you fail me, my uncle will be my backup plan and God will say, search my credibility and this is why people don't get delivered, this is why people don't prosper, many bad things happen to people because they do not understand the love of God. God in heaven did not spare Jesus, he sacrificed him just because he loves you, even at the point when Jesus was in pains, God had to look away so that Jesus can finish the mission, all because he loves you, and after all this sacrifice of Jesus, some person will come with one prophecy and tell you a lot of nonsense and in five minutes you look at the love of God and say, Lord, I always knew that you don't love me, i always knew that you can fail me,

Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning. James 1:17

Do you know what variableness is? that means there is a predictability to his integrity, it is on this that we rest, that God in heaven can look at me and I know that he loves me. You can ask me...Apostle, where will the partners of this ministry come from? and i will answer, I am only a bride. that is the responsibility of my faithful husband Jesus Christ. So, when I go to go to pray, I pray with confidence.

And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us, 1 John 5:14

The love of God is a powerful revelation.

Sound Mind

Let this mind be in you, which was also in Christ Jesus, Phil 2:5

That means there is a thinking, there is a belief system that needs to be altered and adjusted, if you do not sustain a superior understanding about God and about life, you would be a failure forever, this is the mentality that empowers fear in our lives, many people feel they have failed since, even before they start whatever they are trying to do, they just have this mind and belief that whatever they embark on will not work. It is the state of their heart and the failure in their jobs and lives only confirmed what has always been there. Every time God gives us something to do in this church, I know we will win, I know we will succeed, every time God grants me the privilege to travel somewhere to minister, I know the people there will be blessed, all these complex thoughts and mentality that we carry around, it may have come from our backgrounds, but it was enforced and empowered by the spirit of fear.

Always confess this; I believe in Jesus. He has given me the grace and the power to do all things and i am a revelation of his love

There is no revelation from the pit of hell that can change my mindset that God loves me, whenever i say i belong to God, it doesn't mean I'm born again. It means I'm his property, so principalities and powers should beware because this man has an owner.

The Lord gave me this word to share as one of the things that must be conquered, otherwise, we'll keep talking and jumping up and down here and there, and the moment we share the grace, ev-

everyone goes back to their normal routine, and I've taught you before, that when God speaks, he doesn't speak to you like he's speaking to a man. He speaks to you like he's speaking, speaking to himself. So God says, Femi get ready to finish the house by October and make sure there is a good car, and while he's talking, you are just standing there hoping that somebody will bless you with lunch money and God comes to speak to you. Is it not faith? That even works by love. Do you know what that means? Most times we think it is just that faith works when you love people, No, faith works by the revelation of the love of the one who will make things to come to pass. Faith works by love. I know that if I open my mouth and I speak, the spirit of the Lord will honor that word. Why? Because of the love of God, because of the love of God! it is an indoctrination, no matter where I go, I cannot be ignored, you ignore me, you pay for it, It's not pride, It's true, You will pay for it because sooner or later you'll find out that everything you are looking for, the one who loves me is the one who gives it.

The nation of Israel knew that they were a people loved by God and they were adored, Whenever their enemies, see or hear that they are coming, they are sore afraid, saying, these people have a God on their side, and then when the Israelites started forgetting the love of God and started defining and doing all other things, they became the ones afraid. The Lord is my light and my salvation, what can man do to me? The Lord is my light, he's my salvation, of whom should, I fear. I found a cure for fear, sincerely, believe me, when I tell you I don't fear, I have seen God do things in this ministry, do things in my life and do things in the life of people, The revelation of his love, I like to call it 'jealousy' the word jealousy is very positive when I'm using it because it reminds me that I'm his bride. It is a fearful thing for you to touch a man that God loves, God

will react as if Jesus died for the man alone. If you think a good job can cast out fear, you are joking, If you think a business can cast out fear, you are joking, If you think supplements can cast out fear of death, you are joking. If you think a nice SUV can cast out the fear of death. You are joking. If you think money in the bank account can cast out fear. You are joking. We're living in a world where fear looms around the horizon. everything is programmed to make you afraid, but you rest in the fact that God has not given you the spirit of fear. so whenever the spirit of fear comes, you know that somebody is offering something you need to reject. You don't just reject by saying, I reject here. You reject it by reminding yourself that I am strong in the Lord and in the power of his might.

For the thing which I greatly feared is come upon me, and that which I was afraid of is come unto me. I was not in safety, neither had I rest, neither was I quiet; yet trouble came. Job 3:25

Look at the confession of Job, What told him that he was not in safety? now, satan himself told God in Job chapter 1 that, has God not build a hedge of protection around Job and yet Job is saying he was not in safety, what a contradiction of realities, and this is the reality of many believers, God has protected you, yet you said you are not protected, God has preserved you, yet you said you are not preserved, God has told you I know the thoughts that I think towards you, they are thoughts of good and not of evil to bring you to an expected end yet you walk daily in fear. Have you not read in the bible that you will call, and a nation will answer you, it's not a parable, whatever is a parable in the Bible, the Bible will state it there that it is a parable, so why are you fearful? the Lord knows how to deliver the righteous from trouble, when you carry this understanding from tonight and run with it, my brothers

and my sisters, you will know that you will never fail, This is not just a Jamboree Pentecostal confessional, it is a settled reality. I know this about God. What do you know about God that can protect and keep you in the days that comes? Please let it sink into your spirit man, your confidence will have a lot to do with your courage and your ability to conquer fear, Many of us who are in ministry, if you don't conquer fear, you will never, never be able to rise in ministry. Many of us are trusting God for financial liftings, if you put your eyes around the economy of nations, it will never come, do not let fear stop you from looking up to God completely Prayers: You are going to call Fear by its name and curse it by the god of heaven and say I reject fear. Lift your voice and pray.....

Worry Not

Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself, Sufficient unto the day is the evil thereof. Matthew 6:34

Worry and fear do not do anything positive to you, stop verbalizing your fear, stop giving it life by saying it out, your heavenly Father knows that if you stay in that rented apartment forever, it will affect your Christian life, your heavenly Father knows that if you do not smile and you are not enjoying life, it will affect your Christian life. He knows!

He knows that if the ministry does not work for you, there will not be a platform to fulfill destiny and You will be discouraged.

There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it. 1 cor 10:13

He says with every temptation, God will make it a way of escape, you are not the first to be chal-

lenged by poverty, the jealousy of God will make him manipulate a way of escape for you.

Prayers: I'd like you to lift your voice and begin to speak everything you know God has said to you, the things he told you that will happen to you, and say, Lord, I believe you! I believe you!

There are people who have lost sleep because of fear, mostly because of worrying, God is the keeper of Israel that does not sleep nor slumber so that you can rest. Whenever I talk like this, many people will say it is because i am not poor, let me tell you this. The Bible says to be carnally minded is death, is not will be dead, it is already dead, but to be spiritually minded is life and peace. When you allow your mind to become carnal, and sensual, that's the Realm of Satan, asking questions like how will it come? how will I see the rain? how will I see the cloud? But God said you may not see the rain yet the Valley shall be filled, who told you that water must come from above, doesn't the earth has water too, when it was time for Noah's flood, water came from the sky, water came from under the earth as well, who told you gold is only found under the earth, or have you forgotten when a fish brought gold? that means that what is not supposed to make sense Can bring you Gold, bless you and change your life, This is the God we're talking about.

There are some testimonies that you will enter into, that when you share it, even the people who hear it will almost say you are lying, this is not motivation. Please listen to me. I'm speaking to you by the spirit. When a man's ways please the Lord, he makes even his enemies to be at peace with him proverb 16:7, Look at this, Abraham lied, and Abimelech took Abraham's wife and wanted to sleep with the wife and God said, if you touch her! If you touch this man's wife, Lis-

ten; there are men who receive answers even before they call, Men that God is on surveillance of their lives.

King Nebuchadnezzar loved Daniels so much that when they now put him in a position where he had to punish Daniel, the king could not sleep in the night, by the morning he rushed to the pit to know if Daniel was alive, A king could not sleep just because God loved a Man. Also, was it not because of God's love for Esther and Mordecai That the King sat down, and he could not sleep. He was rolling from left to right and he got up. He said, bring me the Chronicles, and out of all the people that did nice things to him, when he got to Mordecai's name, he said, this man, what has been done to reward him? When you believe God and get fear out of your life, you will stand in shock as you see God give you prepared blessings, levels of liftings that God will bring you into, you will look left and right and You will be asking yourself, how did i get here? what am i doing here? And God will answer, I brought you there. I brought you here by my spirits. I brought you there.

Prayers: Please I'd like you to lift your voice, say in the name of Jesus, i destroy every bondage of fear, financial fear, marital fear, parenting fear, promotion fear, advancement fear, prosperity fear.

You will never find me putting my hand on my chin by the window or by the bed breathing and worrying about life. No, no. I like you to square your shoulder and walk boldly through life, do not walk around like somebody who is at the mercy of situations and circumstances, If you don't have confidence in yourself, have confidence in your marriage to God

And you shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season;

his leaf also shall not wither; and whatsoever he doeth shall prosper. Ps 1:3

Prayers: Now I declare in the name that is above all names, in the name of Jesus, that anyone reading this book, suffering from one or more of the manipulations of the spirit of fear Be free right now in the name of Jesus.

Whether it is fear because of the class degree you finished within School, because of your tribe, because of your past, I cursed that spirit from your life In Jesus Name,

I decree and I declare that the bondage and the chain that has come upon your mind and your life as a result of fear, Let it be loose now in the name of Jesus, I decree that the boldness that comes from knowing you are loved by the father, may that boldness rest upon you in the name of Jesus.

Now I pray that the revelation of the love of God that will indoctrinate you into believing and accepting that you cannot fail, may that grace come upon you right now in the name of Jesus.

I do not care how many times you have failed in the past, by this revelation, I empower you to succeed in the name of Jesus, Favor will locate you in the name of Jesus

May you become the desire of nations that every time men are looking for someone to bless, may your face show up in the name of Jesus Christ

And I decree and declare that whatever the obstacle is, that is making you fear, we curse that barrier and obstacle in Jesus Name. Please take this book, read it daily, over and over, get it for your friends and family and inject it into your spirit man daily, say it aloud daily that I will fear no evil, and you shall see results in your life.

God bless you

Others Transcribed Sermon Of Apostle

Joshua Selman

Laws of Kingdom wealth: In this Book, it started with the discussion of the economic system of the kingdom of God, and we need to understand that the battle for wealth and prosperity is not just about the desire to use money to prove a point to people around you, but that there is a program and there is an agenda that is bigger than the personal interest of men, its important to get this, that prosperity is not just about the propriety for affluence but it's the time redemption strategy. Paul was teaching the church in Ephesus and he admonish them to redeem time and he said the reason why they should redeem time is because the days were evil and the days are still evil, so we must access the system of God that makes up time for redemption, also in my previous message, I also spoke about preserving our soul while we prosper, that satan is not after your money , he's not after real estate, he's not after any of these things, he's after the souls of men and that he will use the journey or your desire or your need for financial prosperity to force you to exchange your souls the kind of prosperity that he gives and the bibles says what shall it profit a man
